State Tournament  
April 27, 2019

Westminster College

## ***Congratulations. . .***

*Your qualifying for the Missouri State Science Olympiad Tournament is a tribute to the success of your team and individual efforts, but is also a testimony to the fact that the Olympiad spirit is alive and well across the state of Missouri which places us in the top fifteen in the United States in the number of registered teams. The competition that you are enjoying today is the product of cooperation among volunteers such as coaches, event judges, regional directors, tournament workers and the Missouri Science Olympiad Board of Directors.*

*Have fun, enjoy your day, and thank someone who has made it possible.*
